About

Frontend Developer with hands-on experience building responsive web applications using React and Tailwind CSS. Developed multiple projects with real-world functionality, focusing on clean UI, performance, and user experience. Currently seeking a remote internship to apply and expand my skills in a professional environment.

Education

Adama Science and Technology University
Civil engineering

Sep 2024 – Jun 2030
Ethiopia ASTU

Skills

Technical skills

- **Stacks** : React, HTML5, CSS3, Js, Tailwind CSS
